In connection with Congressman Waxman's request to furnish certain information, I would like you to contact field staff to request that they identify:

- any correspondence or other documents from or to Healthy Buildings International (HBI);
- any documents that describe PM's relationship with HBI;
- any payments made directly or indirectly from PM to HBI;
- any appearance in which HBI testified at the request, directly or indirectly of PM, in opposition to a federal, state, or local law proposing controls on environmental tobacco smoke (include a copy of any written testimony submitted by HBI).

Please inform your staff that all documents related to HBI must be retained. I will need copies of the documents sent to me as soon as possible in Richmond. I understand that your staff travels a great deal, could you ask them to get everything to me (or a response that they have no relevant documents) by next Wednesday?
